THINGS WE'RE OBSESSED WITH

THE TRENDS A-LISTERS ARE LOVING

TOAST OF THE TOWN

Inspired by the legend of the Aztec goddess of agave and the magic of golden hour, Casa Del Sol is a luxury sipping tequila cofounded by **Eva Longoria**. "From the liquid to the legacy, we took the time to develop a distinct flavor profile," she explained. "We wanted to deliver a brand that was set apart from the rest." casadelsoltequila.com

THE SUNGLASSES OF THE STARS

British royalty, supermodels and superstars all share a love for Finlay sunglasses! When **Duchess Kate** wore the Henrietta frames (left), the style sold out in less than 24 hours. Thankfully, these shades are now back in stock — and make the perfect Mother's Day gift. Kate's sister-in-law, **Meghan Markle**, favors the Percy frames on the right, while **Rihanna**, **Sienna Miller** and **Gigi Hadid** are also famous fans of the brand. Available at finlayandco.com

GETTING ZIGGY WITH IT

Malin Akerman looked like a retro rock star in her faux fur shawl as she celebrated the grand opening of Hotel Ziggy on the Sunset Strip in Los Angeles. Guests took pics in a vintage photo booth and enjoyed cocktails made with JAJA tequila.
